

Elect

EMMA DI IORIO

BYC Trustee

Experience

Why me?

If elected as trustee, I'd try to ensure the BYC is furthered on a national level. I believe my previous involvement in campaigning would be useful in helping to achieve this. It is vital that young people's views are heard and listened to and I'd like to foster closer relationships within the BYC membership. We need to be united, especially in times of major cuts!

I have previously been an officer of the European Students' Union, entailing campaigning on the European level. Locally and nationally I have campaigned on both youth and student issues. I'd like the opportunity to continue this, with a clear steer from you as members, as to your current priorities.

In addition to a degree in law, which underpins my knowledge of the decisions faced by a trustee board, I have a proven track record, in governance and financial scrutiny as a trustee of the Bristol Students' Union.

- Education Vice President of Bristol Students' Union
- Trustee of University of Bristol Students' Union
- Officer of the European Students' Union
- Young leader of local Guides unit
- Volunteer in youth sports and youth games
- Youth mentor in Bristol and in Kent
- Law school student representative
- Student widening participation officer
- Member of NUS European Coordination group

Elect EMMA DI IORIO number 1 for Trustee!
