

Dear Reader,

I think Britain is **GREAT**, don't you? We have democracy, a free health service and loads of opportunities that others around the world can only dream of. Sometimes though, I think that the voices of those who are Britain's future are just not being listened to. Who's that, I hear you ask? Well that would be us - **THE YOUNG PEOPLE**. In fact, at the moment around 1 million of us are unemployed, students are facing the highest fees for public universities in the world and climate change is threatening the very environment that we are inheriting.

Therefore, it seems that there are **CHANGES** that need to be made and it is our job as young people to **PUSH**, to **QUESTION** and to **DEMAND** to be listened to. Movements don't just happen - they take dedication and an amazing group of people. That's why the British Youth Council are **BRILLIANT** and why I want to be a BYC Trustee!

If I am elected as a trustee of the BYC, I promise to.....

SUPPORT the BYC members to develop networks to make things happen. As a manager of an intercultural and interfaith charity, I am used to meeting lots of different people and guiding an organisation, which are skills that I would be able to bring to BYC.

LOBBY for the interests of the BYC members and work to take issues that concern us to the top. I am experienced in co-ordinating campaigns and empowering young people to enable change through my role as a manager of a youth charity. Key issues I will lobby for include:

- Pushing for **VOTING REFORM**
- Campaigning for a review of **HIGHER EDUCATION FUNDING**
- **BRINGING YOUNG PEOPLE** to the table to give their opinions on policy and spending cuts to decision makers
- Raising awareness of the need for action **AGAINST CLIMATE CHANGE**

REPRESENT BYC at local, regional and national events to show a unified campaign of **ACTION** from a combined network of youth councils and BYC members.

So readers, VOTE LUCY CAMPION for BYC Trustee and I will CHAMPION your cause!
