## Candidate for BYC Vice-Chair (Finance)

*I want to see a more open BYC where the members have a greater say over how the BYC is run.*

### MY EXPERIENCE

- Chair of the Wellingborough Youth Council 2009 - 2010
- Member of Youth Parliament for Wellingborough 2008 – 2010
- Deputy MYP for Northamptonshire 2008 – 2010
- UKYP East Midlands Media Rep 2009 – 2010
- UKYP East Midlands Procedures Group Rep 2009 – 2010
- Chair – ODS Youth Committee Jan – July 2010
- Young Ambassador for Northamptonshire 2010 – Present
- Public Governor – Kettering NHS 2011 - present

*Since starting out on school Councils I have developed my interest in representing my peers and later in finance. While on the student Council I was allocated the finance portfolio before becoming the Senior Prefect (Finance) I went on to serve as Treasurer in University Societies, South East London CF and have earned a credible track record in finance and representation!*

The BYC is becoming larger; this is reflected by the recent adoption of UKYP. The BYC's new financial situation is changing, the BYC has lasted since 1945, lasting more than one recession, lasting not just these spending cuts, but Thatcher's and remaining a potent part of youth representation through IMF cuts. The BYC has done this by adapting to its new situation! The BYC once again faces the need to adapt, and the need to change. This is why if elected I would like to see the following;

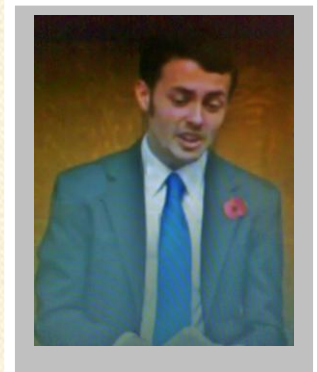

- **I will be visible treasurer, talking to the members and listening to what they have to say during these difficult times!**
- **A review into how we can increase accountability for the board of trustees.**
- **A Review into how the board and members can be more involved with one another.**
- **A review into how the members can have a greater say over how the organisation is run.**

Thank you for taking the time to read my Manifesto!

Best Wishes

Tom
